Spring Reminders: 1. Dress code – Please re-read the dress code in the handbook with your child. If administration determines that your child's shorts are too short or there is some other violation, you may receive a phone call asking that more appropriate clothes be brought to school.
2. Cyberbullying – Please check if your child is involved in “social networks” (or email) and explain that there are rules and laws involved —INCLUDING LEGAL AGE! When online bullying activity interferes with the school's learning environment, school administration will be involved.
